As Father Death came to me
And took my mortal Frame
My Flesh forever adorns the Graveyard
And slowly fades away
But my Soul will return
My Spells hunt through the Night
Master of Witchcraft I am called
Cruelty is my Sin

When Father Moon will gather
Upon with Mother Sun

And great Light rises up so clear
For the last Time
A Veil of Darkness' falling
And Spirits I summon
The unseen Poet I am called
In Fire I'll be born
I call my Soul to free my Bones
Out of eternal Fire
Enslavement has begun
No longer captured in my mortal Grave
My Soul returned and kissed my Bones
Reincarnation at the Portals of Fire
My Coffin is filled with immortal Blood
Flesh and Soul became one again
Stormclouds above the Cemetary
Hungry the Demons wait for my Return
And I spread my Wings and fly upon

The Beat of my Heart

Like Thunder in the Night
I live again

No longer captured in my mortal Grave
My Soul returned and kissed my Bones
Reincarnation at the Portals of Fire
My Coffin is filled with immortal Blood
Flesh and Soul became one again
Stormclouds above the Cemetary
Hungry the Demons wait for my Return

And I spread my Wings and fly upon
I feel the Arrival of my blackened Kingdom
The eternal Darkness, when will it arise?
This Waiting for Silence
Take me away from here..
Nightside embrace me and hold me so close!
I will not forsake you, my Time has come
I shall arise now and enslave the Earth
And rule the Humans
As they did with me

Fire shall arise and prepare for my Arrival
When I walk the Earth - immortal as their God
My wings will lay down and spread eternal Pain
Mankind be prepared - Enslavement has begun
