The summer sun looked down  
On our love long ago  
But in my heart I feel  
The same old afterglow

A love so beautiful  
In every way  
A love so beautiful  
We let it slip away

We were too young to understand  
To ever know  
That lovers drift apart  
And that's the way love goes

A love so beautiful

A love so sweet  
A love so beautiful  
A love for you and me

And I when I think of you  
I fall in love again  
A love so beautiful  
In every way

A love so beautiful  
We let it slip away  
A love so beautiful  
In every way

A love so beautiful  
We let it slip away
