Chorus

All I really want for Christmas
All I really need is you
Cause I really want for Christmas is you

My baby bought me some tickets to see the basketball
game
Merry Christmas
Bought me a pair of black diamonds so I could switch
my earrings
She went and bought me a Luis rag to swing up in the
club
Merry Christmas
She bought herself some sexy lingerie to show me
some love
And now it's Christmas and I gotta return the favor
I'm gonna make sure she's able to get everything she
wants
Because

Chorus

All I really want for Christmas
All I really need is you
I don't need much
I just want her
Baby I really do

Baby All I want for Christmas
This year is you
Cause all I really want for Christmas is you

We play fight in the snow then we make a snow man
I kiss your lips under the mistletoe as we hold hands
You see now it's Christmas and I gotta return the favor
I'm gonna make sure she's able to get everything she
wants
Because

Chorus

Only gift under the tree I need is you
And underneath the mistletoe I kiss my boo
Merry Christmas happy new year
I'm sending this one out to you and yours
Merry Christmas happy new year

Chorus
