If bad means good, I'm the worst in here.
I got the higher field on me, it's personal.
I'm the flighest in the sky, Girl you know how them guys
get.
Gottem in the club, pointing and playin that side shit.
Anything you want, you know that's what I get.
I gotem whispering to me, tryn to take me somewhere
private.
But I don't get down like that baby, that ain't how it go.
DJ turn my shit up letme get back on the floor.

I'm the baddest.
I'm the baddest in the club.
I'm in the baddestx3 in the club.
No no reaching for that zipper zipper zipper.
Just do that steppin steppin.
I'm the baddest.
I'm the baddest in the club.
