Only for pleasure - Just curious of something he had
never heard
Nobody told him - how he was to know this was his first
step to death

Sacrals and crosses - fixed to the wall
Blasphemy and sacrilige
Dressed in black garments - Old nick hellish
Degeneration of Church

Bright shining candles - a whimpering girl
The High-priest starting his work
Entraced adorers - raising their hands
Whispering words of release

The Worship of Satan - The image of Death
Taken possession of him
He swore by the devil - to sacrifice life
To propagare his hellish rules

Demons of Hell - Lucifer's acolytes
Get hold of you - Doomed to eternal pain
Wild obsession - Forced by the Evil's voice
Celebration - Finish in ecstasy

Master - Master of Black Mass
Master - Beyond the Realms of Death

Tortured by nightmares - all through the night
Desperate search of refuge
To break dependence with the develish pack
Suicide - His last resort

Save - Your Soul
Avoid - The Demon's Night
The Reign of Hell
The End of the Human Race
