Water running in my desert land  
Images falling into blinded eyes  
Ice cooling on my fevered brow  
Fire blazing on my coldest night

(Chorus:)

You are good, You are fine  
You blow my mind  
I see You and I know  
You are good, You are fine  
You blow my mind  
I see You and I know

Joy breaking through my tightened fist  
Tongues floating from my silent lips  
Air rushing to my crushing lungs  
Visions rising in my barren mind

(Chorus)
