Come back my love, don't go away  
Come back my love, come back to stay

I love you so,  
Well I want you to know  
I need your love so badly

Du-da-wop, du-da-wang  
Du-da-wop, du-da-wang  
Du-da-wop

Oh, won't you come back my love,  
Don't go away  
I need your loving every day  
I love you so  
Well I want you to know.  
I need your love so badly

You said goodbye, I wonder why,  
All because of those silly lies

I love you so,  
And I want you to know  
I need your love so badly

Everybody makes big mistakes  
In this game of romance  
I'm asking you darling  
Why don't you come back and give me a chance?

Come back my love, yeah don't go away.  
I need your loving every day  
I love you so,  
Well I want you to know  
I need your love so badly

Everybody makes big mistakes  
In this game of romance  
Now I'm asking you darling  
Why don't you come back and give me a chance?

Come back my love, yeah don't go away.  
I need your loving everyday  
I love you so,  
Well I want you to know  
I need your love so badly

Everybody makes big mistakes  
In this game of romance  
Now I'm asking you darling  
Why don't you come back and give me a chance?

So come back my love, don't go away.  
I need your loving everyday  
I love you so,  
Well I want you to know  
I need your love so badly

I need your love so badly
