Girl You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside

You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside

Hey There Sexy Cutie  
Maybe it's Your Booty  
Maybe it's The Way You Wind  
You Wind Your Waste Smashin Up The Place  
It's Just Like A Movie there's Men Going Crazy

Wishin I Can Have You For Myself  
You And No One Else  
Damn Lady You Got Me In The Base  
And I'm Waiting For You To Smile And Come My Way  
Ooo Baby You Know I'm In This Pain

About The Way You Move  
The Way You Groove  
I Really Got To Say

Girl You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside

You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside

I don't Mean To Be Out Of Line  
I Wont Waste Your Time No  
I Got To Make You Mine  
I don't Wanna Leave The Party

Unless Your Leavin By My Side  
Maybe We Can Get Naughty  
If We Could Find A Place To Hide

Girl You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside

You Got A Body To Make A Grown Man Cry  
Your Like An Angel Falling From The Sky  
Girl Your So Sexy I Can Not Deny  
What I Feel For You Inside
