Well I'm the first to tell you, that I'm not a perfect guy,
Yeah I've got my share of problems, well hell I won't lie,
I know beggars can't be choosers, but some things just
won't fly,
And this search for a loving companion, is just getting
to dam demanding,
If she's all take, and there's no give, if she's just way to
sensitive,
If all she wants, is money to spend, well asta la vista do
you comprehend,
And if she cheats man, you can take her, cause that's a
Deal Breaker,
And I know there's some good girls, dealing with some
lousy guys,
Maybe we can get together, swap stories, and
sympathize,
It's just a game of luck you know, but sometime I don't
wanna try,
Cause I've tried my best at dealing, but now I'm just not
willing,
If she's all take, and there's no give, if she's just way to
sensitive,
If all she wants, is money to spend, well asta la vista do
you comprehend,
And if she cheats man, you can take her, cause that's a
Deal Breaker,
I'm not looking for a perfect ten, I just need somebody
who loves me,
The kind of girl you take home to momma, someone
who won't use me and burn me,
And this search for a loving companion, is just getting
to dam demanding,
If she's all take, and there's no give, if she's just way to
sensitive,
If all she wants, is money to spend, well asta la vista do
you comprehend,
If she's all looks, and there's no brains, if all she does
is fuss and complain,
If she don't believe, if she tells lies, if she won't let me
hang with the guys,
And if she cheats man, well you can take her, cause

that's a deal breaker, I said a deal breaker,
Well that's a Deal Breaker, I said a Deal Breaker,
Well go on, get on outta here
