I see your face from this lake I?m dweller in the other world

Have you still remembered me?
If my whereabouts aren?t in your memory

I perish entirely Wait a few minutes! I can?t go to your side

Untill my heart is absolute and vice vanishes

Does parting alienate our heart?

Do you know the promise at that time?

I perish entirely Wait a few minutes! I can?t go to your side

Although we where ignorant Our heart should be seen through

I want to hear your voice everyday...
