Screaming out  
Infected minds  
Infected by society

Reject the weak  
Infiltrate  
Progressive human disorder - Progressive human  
disorder

[CHORUS (x2):]  
I cannot control - Overcome  
Disturbing the peace

Morality  
Overdue  
Imposed by insanity

Legions hide  
Underground  
Impressive chaos and order - Impressive chaos and  
order

[CHORUS x2]

[SOLO]

Screaming out  
Infected minds  
Infected by society

Legions hide  
Underground  
Progressive human disorder - Impressive chaos and  
order

[CHORUS x2]
