I was living by expect the worse and hope for the best  
And in ym world keep falling down I lost our hope  
By some coincidence you came into that world  
And you asked me why why given up my smile and... on  
every girl  
Broken heart is not the issue in a...  
I can say I miss you is broken promise... fucking get you  
They say not to expect too much but I don't see how we  
don't' ever last  
If... the past.

Chorus:

If I think about it too much you want me...  
I'm counting my lucky...  
I've never seen other... before  
Girl I don't know what I supposed to do  
And you can be my guide if I take your hand  
Show me the way just help me understand  
You don't even have to make a sound  
Baby don't let me down, down down down  
Don't let me down down down down  
Down down down, I need a... to say  
Don't let me down down down down  
So girl teach me how be patient now  
I wanna love somehow  
I try the honest good guy  
I tried the hottest style  
Can't too much and not at all  
And I just never found the balance  
So I continue to fall for any chick that told me  
What I wanna hear love's the only thing I fear  
What that shit can do to you  
I swear it ain't just never clear  
I can't afford the... no is not potential  
So we even if I leave you  
Come without and always...

[Chorus:]

Don't give up on me no matter what I know  
I tend to disappoint

I know love is not perfect  
Not could in... up you on a pedestal  
But I'm sure you would admire  
'Cause baby I know you worth it

[Chorus:]  
Baby don't let me down
