Well, it ain't no use to sit and wonder why, dear  
If you don't know by now  
It ain't no use to sit and wonder why, dear  
'Cause it don't matter anyhow  
When the rooster crows at the break of dawn  
Look out your window and I'll be gone  
You're the reason I'm travelling on  
Don't think twice it's all right

It ain't no use in turning on your light, dear  
The light, the light I've never known  
It ain't no use in turning on your light, dear  
I'm on the dark side of the road  
Well, I wish there was something you could do or say  
To try to make me change my mind and stay  
We never did too much talking anyway  
Don't think twice, it's all right

I'm walking down that long lonesome road, babe  
Where I'm bound, I can't tell  
But goodbye is too good a word gal  
So I'll just say, "Fare thee well"  
Now, I ain't saying you treated me unkind  
You could've done better, but I don't mind  
You just sort of wasted my precious time  
Don't think twice, it's all right

It ain't no use in calling out my name, gal  
Like you've never did before  
It ain't no use in calling out my name, gal  
I can't hear you anymore  
Well, I'm thinking and I'm wondering, all the way down  
the road  
I once loved a woman - A child I'm told  
I gave her my heart, but she wanted my soul  
Don't think twice, it's all right

Don't think twice, it's all right.  
Don't think twice, it's all right...
