I dare you to be real  
To touch to touch a flickerring flame  
The pangs, the pangs of dark delight  
Don't cower, don't cower in night fright

Don't back away just yet  
From destinations set

I dare you to be proud  
To dare to shout aloud  
For convictions that you feel  
Like sound from bells to peal

Don't back away just yet

From destinations set  
I dare you to be proud  
To dare to shout aloud  
For convictions that you feel  
Like sound from bells to peal

I dare you to be real  
To touch to touch a flickerring flame  
The pangs, the pangs of dark delight  
Don't cower, don't cower in night fright

I dare  
I dare  
I dare you-you-you
