I wanna live the life  
I wanna breathe the air  
I wanna a shiny car  
And greasy hair  
Live in mansions  
All those pretty girls, aye

And I say  
I don't wanna be your Enemy  
I don't wanna be your Enemy

So I roll on with my circus  
And I work it while you jerk it  
With your ash trays and your phoney fake smiles :)

And I say, And I say  
I don't wanna be your Enemy  
I don't wanna be your Enemy

On magazines I plot the schemes  
I write my dreams that run away  
When all is done I'll be the one, one

Chorus x 3
