Look as they worship. These are false gods. Not worthy  
of attention. Wealth and  
Possession. The golden calf; Smash your idols. Destroy  
distraction. Exchanging truth  
For a lie. Masters of the world and bringers of death.  
Blinding the people of the truth.  
Wealth and possession. The golden calf. Smash your  
idols. Destroy distraction. Rid  
Yourself of the things that blind you. This is the war  
within us. Wealth and possession.  
The golden calf; Smash your idols. Destroy distraction.  
Kill your idols destroy.
