Pickup the eye crew, it's gonna be lovely,
It's gonna be fine, ya know that (ya know that, ya know
That!)
It's gonna be lovely, it's gonna be fine!

Fire in the place till the morning, fire (!)
Inna inspiration that's calling (calling, calling,
Calling, calling)
Wicked them a run with no warning, fire (!)
'Cause unity's strength, that's a known thing (calling,
Calling, calling)...

CHORUS:

Foundation!
Pass with a fire, pass pass with a fire!
Foundation!
Pass with a fire, make them wicked, them a run!
(Repeat chorus)

VERSE 2:

I can see, I can see, I can see, I can see...
Living in this time of day...
Go take your time, it's armagedion time!
Go take your time, it's armagedion time!
