I met you once, I loved you twice  
That's the way this tale begins  
I played my hand, I rolled the dice  
Now I'm paying for my sins  
I got some bad addiction baby it's you yeah yeah that's  
right  
And I feel you taking over me  
Could luck be a lady in here tonight

Chorus

My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
(Baby I'd lose it all)

Baby

Oh Could you be the queen of hearts  
Or the devil in disguise  
With every move  
I'm blinded by those diamonds in her eyes  
I got some bad addiction baby it's you yeah yeah that's  
right  
And I feel you taking over me  
Could luck be a lady in here tonight

Chorus

My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all  
My odds are stacked  
I've never been a gambling man  
I've never had the winning hand  
But for you I'd lose it all

I'm raptured in your sweet lovin but it feels just like a  
curse  
You're beneath my skin I start tremblin with this love so  
dangerous  
Place your bets I want you place your bets  
Why don't you just place your bets on me
