[Hook: Ester Dean]

You wanna?

Gimme money, gi-gimme money. Gimme money

I'd rather have your time, time

I'd rather spend your time, time

You can't?

Gimme money, gi-gimme money. Gimme money

I'd rather have your time, time

'Cause I got mine

[Verse 1: Ester Dean]

Sit down, let me buy you a drink, boy (Na na na)

You've never seen a chick like me, boy (Na na na)

Your money ain't a thing I need, boy (Na na na)

I bought the new crib, keep the rent, boy (Na na na)

[Pre-hook: Ester Dean]

I can have what I want, I can buy what I want

All I need is your attention

I can have anything that I want

But I just want you!

[Hook: Ester Dean]

[Verse 2: Ester Dean]

Your money can't buy everything, boy (Na na na)

I need your love more than a ring, boy (Na na na)

Yeah, I like nice things, that's the icing (Na na na)

But you gotta give me more and make me your girl (Na na na)

[Pre-hook: Ester Dean]

[Hook: Ester Dean]

[Verse 3: Nicki Minaj]

Ayo Ester, never been a guesser

But I bet my bottom dollar, bitches under pressure

Moved out to LA, now it's like I sell yay

Money so offensive, niggas call me Elway

If I needed money, I would be up in the bank

The crib got exotic fishes in the tank
The 24 gold karat, dishes in the sank
Them bum bitches just be taking pictures when they
plank
You wanna gimme money, gimme money, gimme
money uhh
I'm up in Hong Kong rocking Shojono Tomo
Lobster, sushi rolls with a side of soy sauce
Chopsticks, you know we don't give a fork

[Outro: Ester Dean]
All on me [x9]
