Glad I'm Losing You
the clock was ticking,
had no time to
care about it,
i had no options,
kept my mouth shut,
i spend my days
solving problems,
i got ten thousand
problems a day,
the time is never right,
never have had the time
to bright up my life,
now i'm losing you,
but maybe i just
blame it on the time
that i can't give you,
i remember times when
i was hooked on you too,
ah ah ah ah ah ah ah,
i'm losing you,
i'm losing you,
ah ah ah ah ah ah ah,
bit by bit and it feels so good,
i was thinking
'bout it when i
hit the side walk,
i've been picking on you,
'cause i dislike you,
i know you're gorgeous,
but i'm tired of
your sweet talk,
you have always
told me that
your heart is made of gold,
i'm losing you,
i'm losing you,
bit by bit
and it feels so good,
you smell nor taste
as good as before,

don't come back baby,
don't you come back,
ah ah ah ah ah ah ah,
i'm losing you,
i'm losing you,
ah ah ah ah ah ah ah,
bit by bit and it feels so good,
ah ah ah ah ah ah ah,
i'm losing you, i'm losing you, bit by bit and it feels so
