She follows me down to where I go  
She comes in a cloud but she don't know  
She walks in a haze  
Do we get up before it ever gets too late

Hand in hand we walk on down  
The alley and our common ground  
We walk in a haze  
Do we pass out before we ever know what's on

She ain't never gonna get wise x3  
And I feel better with my hands tied

She ain't never gonna get wise x3  
And I feel better with my hands tied

She follows me down to where I go  
Not pulling a chain not feeling low  
Don't wake me up  
I can't relate to any other song today

Hand in hand we walk along  
The alley and our common ground  
I walk in a haze why should I care  
I'm waiting out the days go anywhere

She ain't never gonna get wise x3  
And I feel better with my hands tied

She ain't never gonna get wise x3  
And I feel better with my hands tied
