Chorus

Heaven on earth, for worse or for better  
Some say paradise is nice but you can't make it last  
forever  
Heaven on earth, now I just can't see  
How I can ever find another reason to be

Mamas in the kitchen talkin on the phone  
She never could get used to having dinner alone  
Its been eleven months since he passed away  
But she can't bring herself to pack his things away

She said, what Im needin inside no one on earth can  
provide

Chorus

Nights of conversation round the kitchen table  
With advice from knowing children she raised from the  
cradle  
Everybody tells her she should just resign  
To the things that she's been through a thousand times  
in her mind

She said, what Im needin inside no one on earth can  
provide

Chorus

Maybe he got tired, maybe he got bored  
Maybe the old man just didn't care anymore  
No matter what the reason she does what she can  
To be the lovin wife who always understands

Chorus
