Why does everything have to be a love thing?
Think of all the sorrow that love brings.
Is it where you really wanna go,
No, I really don't think so.

You know that I don't back
You doing what you want without
You letting me know that you do
So I can do it too.

Weve been so together,
And if there were ever reasons to change it,
Im sure we could arrange it baby

Somethings wrong,
If you really think that you're the one to get away with it
I know what you're thinking; it's starting to sink in now

Chorus:
Why does everything gotta be a love thing?
Think of all the sorrow that love brings
Is it where you really wanna go
No, I really don't think so

Why does everything gotta be a love thing?
Why can't we dig each other and just hang?
Is it where you really wanna go,
No, I really don't think so

Im not one to go on
Youre preconceptions of correct behavior,
Its really not my flavour baby

Somethings wrong,
If you really think that you're the one to get away with it.
I know what you're thinking; it's starting to sink in why

I don't need a ring on my finger,
I kinda like being single.
Commitment don't fit me,
It bit me one time and I still don't know.

Why does everything have to be a love thing?
Think of all the sorrow that love brings.
Is it where you really wanna go,
No, I really don't think so.

Why does everything have to be a love thing?
Think of all the sorrow that love brings.
Is it where you really wanna go,
No, I really don't think so.

Why does everything gotta be a love thing?
Why can't we dig each other and just hang?
Is it where you really wanna go,
No, I really don't think so.

I really don't think so
