[Bridge x4]

NoBoody, NoBoody, NoBoody, Nigga

[Yung Ro]

They say I walk around like I got some plex on my chest
Naw that's just God walkin with me with this X on my chest

Trying not to say nuthin, other rappers might take the wrong way

But they ain't never worked out, so I just say what I say
You know me, I'll cuss ya, piss ya off, then bust ya
You ain't Paid in Full or Nobody? Homey then fuck ya
I'm Yung Ro dawg, I ain't a ho dawg

Welcome to Nobody land, open the door dawg

I got the Uzi clip, and now the Uzi's rippin

I'm on another road homey, this ain't a loosin mission

I gotta play, MJ, cause I ain't choosin Pippen

I'm prayin and keepin faith that you just truely wishin

I'm in my Chuck Tee's, and Twin is in his? slippers

I done diss more niggaz then bouggy bitches

I'm fuckin groupie bitches, Gettin hot with my heater

I'm so ignorant and cocky, over taxin for features

First they playin games with me, Now they actin scary

I snatched the word "Nobody" out cha vocabulary

Don't believe me? Nigga! Just watch and see

Listen to your songs and see how much you talkin bout me

They say "Nobody's Real" "Nobody takin my chedda"

Nate Dogg gotta song that say "Nobody does it betta"

Now see how many niggaz screamin me?

No who gotta bigger promotion team then me?

I'm Reppin - NOOOBOODY

And I'm Screamin - NOOOBOODY

Now who yall niggaz fuckin with?

Say it loud! - NOOOBOODY!

Mutha fucka! I got nothin to prove

Rappers respect me and just respect the numbers you move

Nigga
