I here the wind,
Call your name,
It calls me back home again,
Sparks out the fire,
Flame that still burns,
Oh its to you,
I will always return,

Yea,
Still fell your breath on my skin,
I here your voice deep within,
Sound of my lover feelin so strong,
Oh, its to you i will always belong,

Now i know its true,
My every road leads to you,
And in the hour of darkness, darlin,
Your life gets me through,
Wanna swim in you river,
Be warmed by your sun,
Bathe in your waters cause you are the one!

Can't stand the distance,
Can't dream alone,
I can't wait to see you cause im on my way home,
Im on my way,
Oh i hear the wind call your name,
A sound that leads me home again,
It sparks out the fire,
A flame that still burns,
Oh its to you i will always return,

Wanna swim in your river,
Be warmed by your sun,
Bathe in your waters,
Cause you are the one!
Can't stand the distance,
Can't dream alone,
I can't wait to see you,
Cause i'm on my way home,

Oh i hear the wind,
Call your name,
A sound that leads me home again,
Sparks out the fire,
Flame that sill burns,
Yea i am on my way,
I will always return,
Yes i will always return,

I've seen every sunset,
And with all that i've lerned,
Oh its to you i will always,
Always,
Return
