And oh, I know, you've lost your mind
You've lost all control this time, I know we're all
screwed
And oh, I know, there's nothing left,
There's nothing more that we can do
I know, we got lost in the flame, ruined by the rain
I was looking for answers in the middle of the desert

I'm ready now, I'm ready now, I'm ready for you to
come back,
You to come back, oh I'm ready now, I'm ready now, I'm
ready for you
I'm ready now, I'm ready now, I'm ready now,
I'm ready now, I'm ready now I'm ready now
I'm ready now, I'm ready now, I'm ready for you

And oh, I know you've seen it all,
You've seen it all before, and I know how you do
I got the feeling that I needed to be sad
I got the feeling that I was in the wrong place
No matter what we do, we are one step closer,
One step closer to our grace

I'm ready now, I'm ready now, I'm ready for you to
come back,
You to come back, oh I'm ready now, I'm ready now, I'm
ready for you
I'm ready now, I'm ready now, I'm ready now,
I'm ready now, I'm ready now I'm ready now
I'm ready now, I'm ready now, I'm ready for you

I'm ready for that fire to kick in, I'm ready for that
feeling to burn
I'm ready for that last time emotion, I'm ready for the
end
I'm ready for the start over, I'm ready for that moment
to break out
I'm ready for that crack in the wall,
I'm ready for that wind to come take me
I'm ready now, I'm ready for it all

I'm ready now, I'm ready now, I'm ready for you to
come back,
You to come back, oh I'm ready now, I'm ready now, I'm
ready for you
I'm ready now, I'm ready now, I'm ready now,
I'm ready now, I'm ready now I'm ready now
I'm ready now, I'm ready now, I'm ready for you
