I'm the life of the party yeah yeah  
So let's get it started yeah yeah  
Gotta clap till I'm gonna drink it yeah yeah  
Now I got everybody dinging yeah yeah

Ee everybody get on... on the floor  
Ee it's my party I can do what I want  
Eee if you aint' with it you can wait to the door  
Eee 'cause we gonna keep this going on night long

Chorus:  
You on it, I know that you like it  
Aha, you're feeling all over your body  
See I only came to make you dance  
And keep you rocking on again and again  
2 x  
Will be go up down, up and down  
Down, up and down  
Spin around round, spin around, been around.

Yeah yeah  
Shut up to the dj  
Tell em keep on replay yeah yeah  
And we aint' never gonna stop yeha yeha  
Until the five seven o'clock

Ee everybody get on... on the floor  
Ee it's my party I can do what I want  
Eee if you aint' with it you can wait to the door  
Eee 'cause we gonna keep this going on night long

Chorus:  
You on it, I know that you like it  
Aha, you're feeling all over your body  
See I only came to make you dance  
And keep you rocking on again and again

2 x  
Will be go up down, up and down  
Down, up and down  
Spin around round, spin around, been around.

Put your hands to the sky  
Put your hands to the sky  
Raise your glasses up high  
Raise your glasses up high  
All my girls get low,  
All my girls get low  
Make sure that you touch the floor  
Make sure that you touch the floor

I'm the life of the party yeah yeah  
So let's get it started yeah yeah  
Gotta clap till I'm gonna drink it yeah yeah  
Now I got everybody dinging yeah yeah

Ee everybody get on... on the floor  
Ee it's my party I can do what I want  
Eee if you aint' with it you can wait to the door  
Eee 'cause we gonna keep this going on night long

[Chorus:]
