This sinking feeling
Drawn into the void
I can't escape
Down here on my own
Day is bleeding
Slowly come, it's drowning in the sky
I've seen it come
Now it comes for the light

Yeah
I see only your world, it's so cold
I feel only a space and it grows
Oh no
It's a beautiful day
It's a beautiful day
Hello-hello (hello-hello)
Lonely satellite

I'm disconnected
Don't seem to recall
Some things erased
And others have to go
See I'm bleeding
Slowly come, it's drowning in the sky
A rival devastation
It's the end of the line

Yeah
I see only your world, it's so cold
I feel only a space and it grows
Oh no
It's a beautiful day
I see only your world, it's so cold
I feel only a space and it grows
Oh no
It's a beautiful day
It's a beautiful day
Hello-hello (hello-hello)
Lonely satellite
I see only your world, it's so cold (lonely satellite)
I feel only a space and it grows (lonely satellite)

Oh no
It's a beautiful day (lonely satellite)
It's a beautiful day
Hello-hello (hello-hello)
Lonely satellite
Lonely satellite
