I was sitting in my car stuck in traffic  
Inch by Inch goin down town  
Got a call and I almost missed it  
Windows up, radio down.

She said "Hello wait you're breaking up"  
"Can you hear me now? I'ma be there in a sec  
Soon as I get past this wreck. I can't wait to take you  
out"

Because I mad wanna see ya, mad wanna kiss ya  
Mad wanna be with you  
And I just mad wanna hold ya, mad wanna cuddle  
Baby I'ma see you soon  
There aint nobody else that can touch me like you do  
You got me so mad, mad, mad, mad, mad in love with  
you

I was driving kind of fast, missed my exit  
Cop pulled up, window down  
Told me that I couldnt drive with a cell phone  
In my hand, incase I didn't know  
I told the police man, that I really had to go  
He said "Show me some respect while I'm writing this  
ticket"  
But I guess he didn't know...

Because I mad wanna see ya, mad wanna kiss ya  
Mad wanna be with you  
And I just mad wanna hold ya, mad wanna cuddle  
Baby I'ma see you soon  
There aint nobody else that can touch me like you do  
You got me so mad, mad, mad, mad, mad in love with  
you

I might be breaking all the rules  
But it's worth it, you're so worth it  
You know it's true  
And even if my tank is on E  
I'll still find you, please believe  
You're the one for me

Baby can't you see, It's you

Because I mad wanna see ya, mad wanna kiss ya  
Mad wanna be with you  
And I just mad wanna hold ya, mad wanna cuddle  
Baby I'ma see you soon  
There aint nobody else that can touch me like you do  
You got me so mad, mad, mad, mad, mad in love with  
you

I wanna be with you  
So mad, so mad, so mad
