Lady, I don't want to dance with nobody, but you  
If you don't believe me let me just work on your body to  
prove  
You see shorty got it all

[Nelly]  
You see shorty got it all  
6 inches left  
Shorty got them on  
My Mac gloss, lip»ı spread  
Kiss me through the phone  
Or better yet spend a lot  
And kiss me in the 'morn  
You go miss me when I'm gone

It's been a rough week  
Another drink please  
I'm walking the floor, that's when  
You do your entrance, sexy movements  
You knock me off shore

[Pre-chorus]  
Girl it seems like you need company  
I can tell by the look in your eye  
Could you possibly, exclusively  
Give me just a minute of your time

[Chorus]  
Lady, I don't want to dance with nobody, but you  
If you don't believe me  
Let me just work on your body to prove  
You're going to miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone, tonight  
I'm going to miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone, tonight

I'd like a tropic

No one can top it  
We running the floor, tonight  
Your swag is so sick  
You got me homesick  
3 o'clock and we're out

[Pre-chorus]

Girl it seems like you need company  
I can tell by the look in your eye  
Could you possibly, exclusively  
Give me just a minute of your time

[Chorus]

Lady, I don't want to dance with nobody, but you  
If you don't believe me  
Let me just work on your body to prove  
You're going to miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone, tonight  
I'm going to miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone, tonight

[Nelly]

Hey shorty, how that body work  
Let me see that body jerk  
Let me get behind it  
Snap it, claim it like I found it first  
Throw that thing off in reverse  
Slap that thing off in the dirt  
Bring up and over just enough to see under your skirt  
Damn short, you know what to do  
And I don't want to dance  
With nobody else but you  
See they may be a 10  
But next to you girl, they a 2  
And you going to want to take me home  
Once she see just what I'm on

Lady, I don't want to dance with nobody, but you  
If you don't believe me  
Let me just work on your body to prove

Lady, I don't want to dance with nobody, but you  
If you don't believe me  
Let me just work on your body to prove  
You're going to miss me when I'm gone  
Miss me when I'm gone  
Miss me when I'm gone

Miss me when I'm gone, tonight  
I'm going to miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone  
Miss you when you're gone, tonight
