What would you say  
If I was leaving tomorrow?  
And is it cliché to cry  
Or to ask you to borrow  
Your car? well I won't go far  
I just need some time  
Away from where you are  
And if you'd be so kind  
I could use some cash  
So I don't run out of gas  
On my way to the city  
Where I will meet you  
And everything's gonna be fine

If you please accept my most sincere apology  
Because I'm a wreck but I have endearing qualities oh

Oh well been through school once or twice  
On the art of forgiveness  
And I can apologize  
Like it's nobody's business  
Until yeah I've got it down  
I'll just call you up  
And calm you down  
And all I have to do is let you win  
Then you'll take me back again  
It's so easy  
And it's all  
In the way  
That I just say

Won't you please accept my most sincere apology  
Because I'm a wreck but I have endearing qualities, oh  
oh oh oh

Won't you please accept my most sincere apology  
Because I'm a wreck but I have endearing qualities

Won't you please accept my most sincere apology  
Oh yeah, oh yeah, oh oh oh, mmmmmm
