Wake up on my own and i wonder where i am
My mind begins to clear and i begin to understand
Today i am in phoenix so im feeling preety low
Would you like to skip the afternoon and get right to
the show
Cause i live to rock
Rock alright
Just don't care
What's wrong or right
Living Loud
Living Free
You and me
The Mad Motherfuckers
I've been rolling i've been moving all night long
I've been to so many places i don't know where i belong
I'd like to say this one thing and it's in my only fans
Right here, right now it's the only place that i can make
some sense
Cause i live to rock
Rock alright
Just don't care
What's wrong or right
Living Loud
Living Free
You and me
The Mad Motherfuckers
It looks like Motherfuckers R Us tonight
Right over here
We've got the Crazy MotherFuckers
Rlght over there
We've got the wild motherfuckers
Right over here
We've got the insane motherfuckers!!!!
Yeah!!!
And we live to rock
Rock alright
Just don't care
What's wrong or right
Living Loud
Living Free
You and me

The Mad Motherfuckers
