We live for you, we die for you
National embalming school
When you die we dig a hole
National embalming school
We live for you we die for you
National embalming school
We do our best, to give you rest
National embalming school

Post mortem, post mortem, post mortem
An autopsy we must do
Post mortem, post mortem, post mortem
An autopsy we must do

We live for you, we die for you
National embalming school
When you die we dig a hole
National embalming school
We live for you we die for you
National embalming school
We do our best, to give you rest
National embalming school

Cut, slash
Slice and probe
Gotta find the reason
Why the body stinks
Cut, slash
Slice and probe
Gotta find the reason
Why the body stinks

Post mortem, post mortem, post mortem
An autopsy we must do
Post mortem, post mortem, post mortem
An autopsy we must do
Post mortem, post mortem
An autopsy we must do
Post mortem, post mortem, post mortem
An autopsy we must do

Cut, slash
Slice and probe
Gotta find the reason
Why the body stinks
Cut, slash
Slice and probe
Gotta find the reason
Why the body stinks

Post mortem, post mortem, post mortem
An autopsy we must do
Post mortem, post mortem, post mortem
An autopsy we must do
