Go go go go go go go go

I?m feeling hot today.

I?m gone make you sway.

So when I count to four, we're going

Out that door, it's time to hit the
Floor.

?

Ref:

Ol? Ol? come on lets get exited.

Ol? Ol? I will never be divided.

All around the world every boy

And girl, raise your hands and

Say Ol? Ol?.

?

Remember when we sang?

"just like a boomerang"

So all the girls

And boys you have to raise your

Voice, it's time to make some

Noise.

?

Ref*2

?

?

Ol? Ol? go go Andr?s

Ol? Ol? go go Andr?s

Ol? Ol? go go Andr?s

Ol? Ol? go go

Come on

Ref*2

All around the world every boy

And girl, raise your hands and

Say Ol? Ol?.
