I was available and down up
Bought a brand new party dress
Waited but you never showed up
Raging in your Sunday best
I was on my way
To Paradise

But not tonight
For this party girl
I was yours but now I'm gone
Refresh my smile and carry on

You're such a fool
To lose a party girl
All the fun you never had
You missed out and that makes me sad

You got special invitations
Valentines and big balloons
Maybe what you would have rather
Was hangout with your Monday blues
I could have stayed
And cried awhile

But not tonight
For this party girl
I was yours but now I'm gone
Refresh my smile and carry on

Don't be afraid
Of a party girl
I'm in good time company
My satisfaction's guaranteed

Loose the grip
We'll be falling all night
Move our bodies from the left to the right
If you don't dance with some other cat night

I've been waiting

But not tonight
For this party girl
I was yours but now I?m gone
