It still feels like our first night together
Feels like the first kiss and It's getting better baby
No one can better this I'm still hold on and you're still
the one
The first time our eyes met it's the same feelin' I get
Only feels much stronger and I wanna love you longer
You still turn the fire on
So If you're feelin' lonely.. don't
You're the only one I'd ever want
I only wanna make it good
So if I love ya a little more than I should
Please forgive me I know not what I do
Please forgive me I can't stop lovin' you
Don't deny me This pain I'm going through
Please forgive me If I need ya like I do
Please believe me Every word I say is true
Please forgive me I can't stop loving you
Still feels like our best times are together
Feels like the first touch We're still gettin' closer baby
Can't get close enough I'm still holdin' on You're still
number one
I remember the smell of your skin
I remember everything I remember all your moves
I remember you yeh,I remember the nights ya know
I still do So If you're feelin' lonely.. don't
You're the only one I'd ever want
I only wanna make it good
So if I love ya a little more than I should
Please forgive me I know not what I do
Please forgive me I can't stop lovin' you
Don't deny me This pain I'm going through
Please forgive me If I need ya like I do
Oh believe me Every word I say is true
Please forgive me I can't stop loving you One thing I'm
sure of Is the way we make love
And the one thing I depend on Is for us to stay strong
With every word and every breath I'm praying that's
why i'm sayin' Please forgive me I know not what I do
Please forgive me I can't stop lovin' you
Don't deny me This pain I'm going through
Please forgive me If I need ya like I do

Babe believe me Every word I say is true
Please forgive me if I can't stop loving you now believe
me I don't know what I do
Please forgive me I can't stop lovin' you, can't stop
loving you
