SO many goals and thoughts and potholes I pass

My Lord, I have to pray on my way

Dem never realise with a little cooperation

Wi coulda unify releive the frustration

Instead dem want to ride upon dem bredda back

No tears or cares if him even did stop or drop

From a long hard day of work

A sense of achieving, to know Im contributing

Doing my part, oooowi dis is my comfort

I know there is a reward for every trying man

To do good for hiself and everyman

Just a meditation
