Wether I'm up in the club, or runnin' in the streets
If I get locked up; she's the first one there for me

Man she love me right or wrong (she love me right or
wrong)
She love me right or wrong (she love me right or
wrong)

If I'm out there on the grind, or gettin' that dough
She never get mad when I say I gotta go

Coz she love me right or wrong (she love me right or
wrong)
She love me right or wrong (she love me right or
wrong)

Shawty got me like woahh woah woahhh woah woahhh
She loves me she loves me.
Shawty got me like qoahh woah woahhh woah woahhh
She loves me she loves me.

It's driving you insane; for a minute...
But you're still the only one I know that's really down for
me (down for me,
Down for me)
But you remained the same, from the beginning...
That's why I know you deserve everything that you get.

Now I've always been the one; to say we were done...
But I knew I would never leave.
They said we wouldn't make it, said we wouldn't make
it
Look how we're still a team.

Hate all you want... (coz I know)
We gon' do out thing... (fo' sure)
Look at the way we shine, we ain't gon pay no mind coz
I know that she
Loves me...

Wether I'm up in the club, or runnin' in the streets

If I get locked up; she's the first one there for me

Man she love me right or wrong (she love me right or wrong)

She love me right or wrong (she love me right or wrong)

If I'm out there on the grind, or gettin' that dough
She never get mad when I say I gotta go

Coz she love me right or wrong (she love me right or wrong)

She love me right or wrong (she love me right or wrong)

Shawty got me like woahh woah woahhh woah woahhh
She loves me she loves me.
Shawty got me like qoahh woah woahhh woah woahhh
She loves me she loves me.

We've been on the phone... for hours
I'm wishin' that you was here; layin' in the bed with me...

Takin' off your clothes after a shower.
But I know that this is only a fantasy...

Now I've always been the one; to say we were done...
But I knew I would never leave.
They said we wouldn't make it, said we wouldn't make it
Look how we're still a team.

Hate all you want... (coz I know)
We gon' do out thing... (fo' sure)
Look at the way we shine, we ain't gon pay no mind coz
I know that she
Loves me...

She loves me she loves me.
