Don't think you want me  
Don't want to see your face  
Don't think you need me  
It's just a game in your head  
Don't think I can handle it  
Don't think I can don't think I might  
Don't think at all

When saying sorry  
Sounds to much like goodbye  
Don't say goodbye  
When saying goodbye  
Sounds to much like forever  
Just say you love me

Don't think you want me  
When you say you need me  
Then I'll take back everything  
Don't think I can handle it  
Don't think I can don't think I might  
Don't think at all

When saying sorry  
Sounds to much like goodbye  
Don't say goodbye  
When saying goodbye  
Sounds to much like forever  
Just say you love me

I saw you all alone  
Now I'm standing here  
Looking into your eyes  
You were all alone  
I saw you all alone  
Now I'm standing here  
Looking into your eyes  
I saw you all alone  
But now I'm looking into your eyes  
We were all alone

When saying sorry

When saying goodbye  
When saying goodbye  
Sounds to much like forever  
Just say you love me
