Sometimes I feel  
It's hard to go on  
Even to get out of bed  
Search through my head  
Focus my eyes  
Can't take another step

Don't feel right  
Said I'm fine  
If you should happen to ask  
Don't know why  
Just feels time  
Breath comes in ragged gasps

I've got to run  
Don't know where  
Away from this troubled mess  
Can't take anymore  
Simplest thing  
Has me breaking into a sweat

Don't like this  
Shaking fists  
Body is about to drop  
Cry and scream  
Then complain  
To make some sense of it all

I fall to the floor  
I crawl, I seek, I long

I traveled far  
The silents ones  
Have caught up and come to call  
The quiet screams patience unbound  
Demand that I bury it all

I Don't feel right  
Said I'm fine  
If you should happen to ask  
Don't know why

Just feels time  
Breath comes in ragged gasps

I fall to the floor  
I crawl, I seek, I long

I Don't feel right  
Said I'm fine  
If you should happen to ask  
Don't know why  
Just feels time  
Breath comes in ragged gasps
