Verse 1

Girl, I love your sex appeal
And it's driving me wild baby
You got me hooked in everyway
There's just somehting 'bout the way that you move
Now I know I worked it well
So there's no use in fighting it babe
And you knpw you liked it too
Let's get together and do it again, come on girl

Hook

I love your sex appeal
When you shake it I can't take it no more
I love the way it feels
I gotta have it....your sex appeal

Verse 2

You turn me on, no doubt about it
Every time I rub against you babe
I lose control thinkin' about it
You make me wanna go and do some thangz
To you babe
Now I know I worked it well
So why you wanna fight it with me
When you know you want it too
So tell me what you wanna do
Come on baby

Hook

I love your sex appeal
When you shake it I can't take it no more
I love the way it feels
I gotta have it....your sex appeal

Change

Girl, you got me in this situation
Sex me up and set my body free now
I'm feelin' for some sexual attention
Come on girl and put it down on me

Bridge

Just bring your body to me
I don't understand the reason
Why you're playing hard to get girl
Why don't you just give it up
To me babe

Hook out
