Explain it with something that I came from nothing? Theories, all not true you say that proof is what you guessed before spend your whole life relying on nothing please just see the truth and all along you wanted something new ignorance has taken over you all along you wanted something new and all along there has been an answer don't put up a fight and stay up all night wondering where you came from spend your whole life relying on nothing if you could see the truth and all along you wanted something new ignorance has taken over you all along you wanted something new and all along there has been an answer please see that there is hope we've been created with a purpose please know that there is hope we've been created with a purpose and all along you wanted something new ignorance has taken over you all along you wanted something new and all along there has been an answer
