I stand corrected  
Guess it just wasn't meant to be  
I know I am maladjusted  
Crush what's inside of me

I know of no remedy  
I know not how to cease  
This feeling of hate in me  
I just want to see you bleed

I know what I want  
I want to stop seeing red  
I know what I want  
I just want to see you dead

I don't want your explanation  
I really couldn't care less  
I've got my own reminder  
This scar across my breast

Infect everyone around you  
Cover up your own disease

I know what I want  
I want to stop seeing red  
I know what I want  
I just want to see you dead

I know what I want  
I want to stop seeing red  
I know what I want  
I just want to see you dead

I know what I want  
I want to stop seeing red  
I know what I want  
I want to stop seeing red  
I know what I want...
