[Tommy "The Touch" Wolf:]

God they're tracing a map with my dead zone
Hundreds of lines trying to explain the unknown
We have so many true lies going deep down our souls

[Rev. Mike Simmons:]

There's a voice locked inside... Can you heal all their
lives?
Yeah, you're lost like those tears in the sand
(See what's inside...)... Will you come back alive?
(Shadows apart...)... Take our shadows apart?
Yeah, arise like a blue dawn again... Will you come back
to me?

[Tommy:]

God, the map of my brain leads to nowhere
They X-marked the spot where future and past pass me
by
No one ain't fooling myself or trying to deceive me

[Rev. Simmons:]

(All of the crimes...)... There's a voice locked inside
(All of our lives...)... Can you heal all their lives?
Yeah, you're lost like those tears in the sand
(See what's inside...)... Will you come back alive?
(Shadows apart...)... Take our shadows apart?
Yeah, arise like a blue dawn again...

[Dave "The Friendship" Maxwell:]

The Dead Zone, Tommy knows we're living in danger
In The Dead Zone, in fear forever living in danger

[Rev. Simmons:]

There's a voice locked inside... Can you heal all their
lives?
You're lost like a tear in the sand
(All of the crimes...)... Will you come back alive?
(All of our lives...)... Take our shadows apart?
Arise like a blue dawn again

[Dave:]

The Dead Zone, Tommy knows we're living in danger

The Dead Zone

[Tommy:]

Yeah...

[Dave:]

Tommy knows we're living in danger

[Tommy:]

In fear we're constantly living in danger

Don't you know I tried to change events but they keep following me, yeah

[Dave:]

In the Dead Zone, in fear forever living in danger

[Tommy:]

In fear forever and I feel like a stranger

Don't you know that I feel like a stranger

[Dave:]

In the Dead Zone

[Tommy:]

In the Dead Zone

[Dave:]

Tommy knows we're living in danger

[Tommy:]

In fear we're constantly living in danger

Don't you know I tried to change events but they keep following me, yeah

[Dave:]

In the Dead Zone, in fear forever living in danger

[Tommy:]

I'm constantly, constantly living in danger

Yeah, it makes me feel like a stranger... I'm only a stranger...

[Rev. Simmons:]

(All of the crimes...)... There's a voice locked inside

(All of our lives...)... Can you heal all their lives?

(... Can you hear all their lives?)

You're lost like a tear in the sand

(See what's inside...)... Will you come back alive?

(... Will you come back alive?)

(Shadows apart...)... Take our shadows apart?

Yeah, arise like a blue dawn again

(All of the crimes...)... There's a voice locked inside

(All of our lives...)... Can you heal all their lives?

(... Can you heal all their lives?)

Yeah, you're lost like a tear in the sand

(See what's inside...)... (See what's inside...)... (Will you come back alive?)

(Shadows apart...)... Will you come back alive?... Take

our shadows apart?
Yeah, these lies fall too deep in your heart... (Arise like
a blue dawn again...)
