Africa is dancing,
Europe dancing,
All Americas dancing,
Everybody dancing!
Africa is dancing,
Asia dancing,
Australia is dancing,
The world is dancing!

Oh, oh, oh, everybody is dancing,
The world is dancing!
Oh, oh, oh, everybody is dancing,
The world is dancing!
Oh, oh, ale, ale, oh,
Party people, tell your people
All the wait is over!
Better be ready case tonight we gonna be super nova!

So let's play the music loud...
Tomorrow will be telling about...
Oh, oh, let's get it started,
Oh, oh, no one can fight it!
Oh, oh, so everybody go, go, go!

Chorus:
Africa is dancing,
Europe dancing,
All Americas dancing,
Everybody dancing!
Africa is dancing,
Asia dancing,
Australia is dancing,
The world is dancing!

Oh, oh, ale, ale, oh,
Everybody bring somebody cause we're celebrating
No restriction, doors are opened,
Let's get in the rhythm!
... all the streets tonight, like a party maker!
Tomorrow will be telling about...
Oh, oh, let's get it started,

Oh, oh, no one can fight it!
Oh, oh, so everybody go, go, go!

Chorus:
Africa is dancing,
Europe dancing,
All Americas dancing,
Everybody dancing!
Africa is dancing,
Asia dancing,
Australia is dancing,
The world is dancing!

Boli oh, eh!
Boli oh, eh!
Boli oh, eh!

Chorus:
Africa is dancing,
Europe dancing,
All Americas dancing,
Everybody dancing!
Africa is dancing,
Asia dancing,
Australia is dancing,
The world is dancing!
Oh, oh, oh, everybody is dancing,
The world is dancing!
Oh, oh, oh, everybody is dancing,
The world is dancing!
