So this is it
The final hour has come
I come undone
I don't feel like I belong
occasionally I rise and sense a heavy vibe
People and their new things
Slit wrists
Battered wives

Don't wanna hear you say
Keep your heart at bay
You wanted it raw and crazy
And you know how hard i try
Profane wishes asking me why

Maybe you got more than deserved
Maybe you feel lucky
Maybe you'll learn
If you feel alone..
It was you who carved this stone
Don't wanna hear you say
Keep your heart at bay
You wanted it raw and crazy
And you know how hard i try
Profane wishes asking me why

The winds shake the tree
Profane wishes in me

Slit wrists
Broaken glass and slit wrists

Don't wanna hear you say
Keep your heart at bay
You wanted it raw and crazy
And you know how hard i try
Profane wishes asking me why

WHY
WHY
DON'T ASK ME WHY
