I'm out, I'm closing a chapter
All in, a world full of rapture
Caught up, its time for the show
Oh baby, baby, baby

Tough luck, you win but you're losing
Break out, you'll be what you're choosing
One wish, illusion is bliss
So baby baby baby

You're at your mind and love is a cover
This time, your turn is over, it's over

Thank you for all that you've done for me
Now I know what real love is supposed to be
Can't waste my time so goodbye my baby, baby, baby
Thank you

Love struck is never easy
Came and gone, just to please me
Better off, living my dream now
Baby, baby, baby

Life hurts when lies are uncovered
So I'm gone before it's over

Thank you for all that you've done for me
Now I know what real love is supposed to be
Can't waste my time so goodbye my baby, baby, baby

Oh oh
I'm better off alone
For all that you have done
And I know what I want
And that ain't what you got

Thank you for all that you've done for me
Now I know what real love is supposed to be
Can't waste my time so goodbye my baby, baby, baby

Can't waste my time so goodbye my baby, baby

Thank you for all that you've done for me
I know what real love is supposed to be
Can't waste my time so goodbye my baby, baby, baby
Thank you!
