Been walking off a beaten path
feeling like I got a gun at my back
and the devil's looking at me
waking me up in my sleep
when he took my hand I didn't understand
the devil was an ordinary man
he had a ordinary plan
he wanted to steal my magic power

I couldn't get the devil behind me
now I'm lying on my back
looking at the mirror in the ceiling to remind me
I'm weak
but my spirit ain't been broken
I'm looking for my subway token
I can hear the train coming but I ain't out of the woods
yet

the devil and I we were driftin along
on a burnin lake of love songs
smoke on the water
was the California smog
evil, he was mean
and he waltzed me through a liquor dream
I was coming apart at the seams
it was the best time I ever seen

I couldn't get the devil behind me...

I'm a long way from home
and the devil made a social call
I'm a long way off the road
feeling supernatural
