"Take this man to prison"  
The man heard Herod say  
And then four squads of soldiers  
Came and carried him away

Chained up between two watchmen  
Peter tried to sleep  
But beyond the walls an endless prayer  
Was lifting for his keep

Then a light cut through the darkness  
Of a lonely prison cell  
And the chains that bound the man  
Of God just opened up and fell

And running to his people  
Before the break of day  
There was only one thing on his mind  
Only one thing to say

Angels watching over me, every move I make  
Angels watching over me  
Angels watching over me, every step I take  
Angels watching over me

God only knows the times  
My life was threatened just today  
A reckless car ran out of gas  
Before it ran my way

Near misses all around me  
Accidents unknown  
Though I never see with human eyes

The hands that lead me home

But I know they're all around me  
All day and through the night  
When the enemy is closing in  
I know sometimes they fight

To keep my feet from falling

I'll never turn away  
If you're asking what's protecting me  
Then you're gonna hear me say

Got His angels watching over me, every move I make  
Angels watching over me  
Angels watching over me, every step I take  
Angels watching over me

Angels watching over me  
Angels watching over me

Got His angels watching over me, every move I make  
Angels watching over me  
Angels watching over me, every step I take  
Angels watching over me

Angels watching over me  
Angels watching over me  
Angels watching over me  
Angels watching over me

Though I never see with human eyes  
The hands that lead me home
