Once my life had  
No direction,  
I was lost as could be.  
I was caught in a whirlpool (caught in a whirlpool)  
Spinning around in misery.

I needed a friend,  
You took me in,  
And you touched my heart  
With your song of love  
And gave me a brand new start.

Now there's beautiful music  
Flowing on through me  
Just like you said.  
Angels singing,  
Joy bells ringing  
Inside my head,  
Since you came inside me. (Since you came inside me.)  
Now I'm lost inside your love.

You gave me just enough  
To make hunger  
For more of you.  
Now I'm hooked on your lovin',  
And I don't want to break loose.

With my heart in my hand,  
I'm yours to command;  
Do what you want me to.  
Just never let me go,  
Lord, I'm so in love with you.

Now there's beautiful music  
Flowing on through me  
Just like you said.  
Angels singing,  
Joy bells ringing  
Inside my head,  
Since you came inside me. (Since you came inside me.)  
Now I'm lost inside your love.

Beautiful music  
Flowing on through me  
Just like you said.  
Angels singing, (Angels singing,)  
Joy bells ringing  
Inside my head.

Beautiful music  
Flowing on through me  
Just like you said.  
Angels singing, (Angels singing,)  
Joy bells ringing  
Inside my head.
